

SOUTHWEST DESERT SAGE GROUSE LOCAL WORKING GROUP MEETING

What: Informational and working meeting on sage grouse conservation issues sponsored by the Beaver and Iron County Extensions, Utah State University

Why: Work on a local plan to address sage grouse population declines and habitat restoration opportunities. Key areas are Hamlin Valley, Parowan Gap/Bald Hills/Minersville, and Buckskin/Dog Valleys.

When: Thursday, July 29th, 7:30 pm

Where: Iron County Courthouse
68 South 100 East
Parowan, UT

This is a public meeting at which we will discuss what local landowners and public can do to help prevent sage grouse from being listed as an endangered species. There will be representatives from the Utah State University-Extension, Utah Division of Wildlife Resources and Bureau of Land Management at the meeting to hear your concerns and answer questions.

If you have questions, please call Mark Nelson, Beaver County Extension at **435-438-6450**, or Todd Black, Utah State University Extension at **435-770-9302**, or Becky Bonebrake, Cedar City BLM at **435-865-3087**.
