--------------------	--------------------------	--------------	---------------------	--------------------------	-------------

28 year-old Male	Yes	Rifle	64 year-old Male	Unknown	Elk
<b>Remarks:</b>	The shooter was being guided by the victim on a private land elk hunt. The hunter had just shot and wounded an elk. When the elk started to get up, the victim instructed the hunter to shoot the elk again. As the shooter chambered a round, the firearm discharged as he closed the bolt. The victim was struck in the right ankle at close range. The foot of the victim was later amputated.				
<b>Possible Cause:</b>	Improper firearm handling, possible firearm malfunction.				
<b>Location of Accident:</b>	Sevier County				

55 year-old Male	Yes	Shotgun	Unknown	Unknown	Chukars
<b>Remarks:</b>	The victim and his hunting partner were hunting chukars in an area with several other hunting parties. A chukar flew up between the hunting parties and someone shot at the bird. As the victim turned to see who had fired, he was peppered with shot. The victim was hit in the lower leg, chest, and right hand. All injuries were minor.				
<b>Possible Cause:</b>	Shooter swinging on game.				
<b>Location of Accident:</b>	Carbon County				

**NON- FATAL**

VICTIM'S AGE & SEX	HUNTER EDUCATION TRAINED	FIREARM USED	SHOOTER'S AGE & SEX	HUNTER EDUCATION TRAINED	GAME HUNTED
12 year-old Male	Yes	Shotgun	Self-inflicted		Chukars
<b>Remarks:</b>	The victim was hunting chukars with his father. He shot at a bird and hit an old abandoned vehicle. The pellets bounced back at the victim hitting him in both legs, the right arm and in the chest. The victim's injuries were minor but one pellet was removed from his right arm.				
<b>Possible Cause:</b>	Ricochet				
<b>Location of Accident:</b> Carbon County					
16 year-old Male	Yes	Shotgun	Unknown Male	Unknown	Ducks
<b>Remarks:</b>	The victim was hunting ducks on the opening day of waterfowl season. When the shooter fired at a low flying duck, he did not see the victim beyond the target. The victim was hit with one pellet in the left eye. The shooter came over and checked on the victim and assisted him out of the marsh. The victim was checked over at the hospital, but sustained no permanent damage.				
<b>Possible Cause:</b>	Victim out of sight of shooter				
<b>Location of Accident:</b> Davis County
